Invitation for RFP Tensile Covering at Gate No.1

Sealed proposals are invited for the fabrication and installation of tensile covering supported by Mild Steel (MS) Tube structure, to house flap barriers for access control at the Gate No. 1 of Vasant Vihar Club.

- **Site Inspection date:** Monday, 12 January 2026 (in coordination with General Manager)
- **Proposal format:** Sealed bid containing specification design and price.

Typical Project requirement:

- **Frame:** Mild Steel (MS) structure using Apollo brand tubular hollow section (IS1161) with a corrosion finish using one coat of red oxide, one coat of Duco surfacer prime and finish with satin finish paint of approved color.
- **Fabric:** High tensile, water proof, and UV-resistant membrane (3-layer, Black out - PDVF).
- **Target Equipment:** The structure is intended to protect flap barrier turnstiles, which generally have a standard passage.
- **Vendor Qualification:** Bidders are required to demonstrate prior experience in similar tensile fabrication project.

Last Date of Submission on Thursday 15, January 2026
